

## A drunken member leaves your club. And ends up in an accident.

What happens next?

That depends on your insurance coverage. And not all yacht club coverage includes adequate liquor liability protection - which leaves the club, board members and flag officers seriously exposed.

But the [Burgee Program](#) by [Gowrie Group](#) addresses these issues directly. The team of marine insurance experts at Gowrie knows that this is essential coverage for any club that serves alcohol in their bar, at cookouts, during social events, or at regatta parties.

The Burgee Program – endorsed by US SAILING – is the only comprehensive insurance program developed to meet the unique needs of yacht clubs and sailing organizations.

Join the more than 50% of yacht clubs in the US that have chosen The Burgee Program so they can confidently run regattas, borrow boats, teach sailing, hold social events, weather storms - and keep their club, board members, flag officers, volunteers and employees well-protected.
