

A junior sailor from your club's team is hurt in a regatta at another club.

What does that mean for you?

If you're part of the [BurgEE Program](#) by [Gowrie Group](#), it means you have the protection you need.

At Gowrie, we realize that children are a club's most treasured assets. Our team of marine insurance experts looks at Junior Sailing programs from every possible angle. We make sure complete protection is customized for your specific junior program and extended to include the things that other insurance coverage often excludes, like non-member children, borrowed boat coverage, sexual molestation and the Federal Jones Act.

The BurgEE Program - endorsed by US SAILING - is the only comprehensive insurance program developed to meet the unique needs of yacht clubs and sailing organizations.

Join the more than 50% of yacht clubs in the US that have chosen The BurgEE Program so they can confidently run regattas, borrow boats, teach sailing, hold social events, weather storms - and keep their club, board members, flag officers, volunteers and employees well-protected.
