

Gowrie Group Launches New Website for Instant Quotes and Online Purchasing of their Proven, Best-in-Class, One-Design Insurance Program

July 14, 2011. Gowrie Group, the leading provider of marine insurance in the US, announces the launch of their [new website](#) for instant quotes and online purchasing of their proven One-Design Insurance Program. This established insurance program, which is available to 135 different one-design classes, meets the unique needs of all types of sailors - from those sailing for fun, to weekend racers, to those pursuing an Olympic gold medal. This insurance program is endorsed by US SAILING, and has been providing comprehensive insurance protection for thousands of one-design sailors for almost 10 years.

Easy. Quick. And Smart. This new innovative website enables sailors to quickly enter basic information about their boat, dynamically get an instant quote, and purchase a 12-month insurance policy with their credit card. Upon purchase, a PDF copy of the insurance policy is presented both on-screen and sent to the sailor by email. And this can be done, start to finish, in a matter of minutes.

Benefits of the One-Design Insurance Program

- Premium/price adjusted based on the sailors' usage plans: Local, North America, or International
- Program endorsed by US SAILING and members eligible for a 10% discount
- Over 135 one-design classes already approved for the program
